

PRIVATE LABEL OFFER

**Baking paper siliconised on both sides** is ideal for baking various dishes. Safe for food preparation. The paper can be used in traditional ovens at temperatures **up to 220°C**.

Our baking paper is supplied by from top European manufacturers and guarantees non-stick to baking trays and food. **We offer white and brown paper 290 mm and 380 mm versions in rolls or sheets.**

**The sheets are available in two different widths and in an adjustable sheet length**, making them ideal for oven trays. There's a reason why our baking paper has "perfect fit" in its name.

● **Type and color of baking paper:**

●  
in roll  
white and brown

●
